Who are GRES?

Formed in 1970, the Gravesend Railway Enthusiasts Society (GRES) is a society for people with an interest in railways in particular, although many of us also share enthusiasm for other forms of transport such as trams, buses, planes and shipping.

Membership of the Society costs £15 a year. For your subscription you get: 20 meetings with presentations from guest speakers; ten issues of our newsletter "GRES Journal"; visits to places of Railway Interest and an annual coach outing.

Railway modelling is an interest shared by many of our members, some of whom take their model layouts to various Model Railway Exhibitions throughout the South East of England. GRES also holds its own Model Railway Exhibition once a year in November.

New members are always welcome, please come along and see what we do. For more details, please contact: Bob Poole on 01474 326232 or www.gres.org.uk
